

Tips for a smoother check in:

- **All items should be clean and in good condition – NO STRAIGHT SKIS or OLD BINDINGS!**
- Have your clothes on hangers, if possible.
- Bind poles together with cable cinches
- Tie boots together.
- **KNOW SIZES OF ITEMS**
- **Decide what price you want for your items: check Craig's List or Ebay. A rule of thumb is: Start at 50% less than you paid for the item, and then deduct 10% for each subsequent year. Also, think: do I want to come back out to pick my unsold items up and store them another year?**
- Have the next page filled out **NEATLY**, especially your address: that is where checks are mailed.
- Come before 4:00, if possible – the lines are much longer at night.
- If any of your items did NOT sell, you **MUST** come and pick up your unsold items (or arrange for someone else to do it for you) on either **Monday or Tuesday, November 14 or 15, from Noon – 8:00pm**. We have to have everything out of the building by Tuesday night, November 9, (Cannonsburg Ski Area graciously lets us take over the building for 2 weeks and they need it back).

Please be patient with us, we are all volunteering and only do this once a year, and most of us work full-time, as well. Thanks for your support of the West Michigan Ski Patrols ☺

- **2011 West Michigan Section II SKI SWAP** ***\$2 fee per 10 items due at time of check in.***

TO ASSIST WITH THE CHECK IN PROCESS, PLEASE PROVIDE THE FOLLOWING INFORMATION FOR EACH ITEM YOU ARE PLACING IN THE SKI SWAP BEFORE REACHING THE CHECK IN STATION.

Note: The **COST** ** is how much you get IF the item sells. This is the amount you need to put on this sheet – we figure out the rest.
The price we put on your item will include a 25% commission for the Ski Patrol (i.e.: \$10.00 asking COST + 25% commission = \$13.33 PRICE ON YOUR ITEM – WE FIGURE THIS OUT ☺)
